

10 years battery life Photoelectric interconnected smoke detector AJ-761SI4

Operating voltage	3V lithium battery-10 years
Standby current	< 12uA
Alarm current	< 35mA
Alarm Mode	LED & Buzzer
Sound level	> 85dB/3m
Wireless frequency	433Mhz
Wireless distance	15-25m Indoor or 25-40m 100-200mOutdoor
Installation	Ceiling mounted
Low voltage threshold	2.7V
Product size	Φ110mm×H42mm

- DC3V built-in lithium battery(CR123A) 10 years life
- Big button for easy test and hush
- Can connect 22pcs in one group
- Photoelectric sensor
- Low battery warning
- Faulty warning
- Remote control optional (sold separately for easy test and hush the alarms)
- 2 years warranty
- Execute Criterion:EN14604:2005 AS3786:2014

WHEN AN ALARM SOUNDS
THEY FOLLOW THE ALARM AND OFFER YOU ALL-ROUND PROTECTION
